

We are looking for

FIELD TRIAL TECHNICIAN (M/F/D)

Fulltime located at Rastatt/ Baden- Württemberg/ Germany

ABOUT US

As a plant breeding company, we work every day on innovative varieties for sustainable agriculture. Our employees are a key factor in our success. We are looking for a motivated field trial technician (m/f/d) to join our team as soon as possible. You can look forward to an inspiring work environment and exciting responsibilities that offer place for personal development and professional growth. Joining an international team.

YOUR PROFILE

- Completed vocational training as an ATA (Agricultural Technical Assistant), Plant Technologist, or completed Bachelor's/Master's degree in Agricultural Sciences, Crop Production, Agronomy, Farmer or a related field
- Interest in agricultural trial work
- Reliability and willingness to learn
- Computer skills required
- Driver's license (passenger car) required
- Tractor license & certificate of competence as advantage
- Willingness to travel during harvest season
- Proficiency in written and spoken German
- Initiative and ability to work independently
- The position is also suitable for motivated career changers from the agricultural sector with an interest in trial technology, as well as for gardeners and master gardeners

YOUR TASKS

- Establishing and managing field trials for asparagus and cereals
- Assistance with organizing the asparagus and cereal harvests
- Assistance with organizing breeding activities
- Managing asparagus seed production
- Co-organizing the seed harvest
- Caring for breeding plants in the greenhouse
- Harvesting field trials at multiple locations

WE OFFER

- Varied work in a pleasant environment
- Permanent position & attractive compensation
- Company mobile phone & laptop
- Opportunities for professional development & training
- Attractive Extras: Holiday & Christmas payment benefits
- Company team events
- A family-like work environment characterized by team spirit, mutual appreciation, and a collegial atmosphere
- Company apartment near the workplace available for rent if needed
- Position to be filled as soon as possible

Ready to take the next step? Join our team and help us shape the future of successful varieties. We look forward to receiving your application, including your availability and salary expectations.
